(For the Hawalian Gazette ) Suicidal Policy.

Mr. Epiron :- At a time when merchants. planters and mechanics are complaining of hard times, it is a matter of no little surprise to learn, from the reports of the Legislative Assembly, that a majority incline to the passage of a law to | Y. Nation, that it was not a sensational publicalicense the manufacture of rum on the sugar plantations. This is a most suicidal policy, and for the following reasons:

1. It must mevitably promote the drinking of | ner's monthly, the equally candid and pertinent rum among the Hawaiines, and thereby hasten remarks referred to. The fact is, the traffic in their extinction. If the police cannot now pre- liquor is the great curse of the age; and the vent the illicit sale of spirits among Hawaiians, sweeping tide of destruction it is causing, not most surely they will not be able to arrest the alone in the United States and in England, but evil, when rum is manufactured on the planta- here at the Hawaiian Islands, should arouse the

2. It will alienate the sympathy of a large utterly from the Kingdom. The time is not far distant, when the remark of the Nation will be number throughout the foreign and native community from the support of the government.

3. It will seriously interfere with the project name, as of a moral character so low, that they of reciprocity now so much desired by the mer- are justly charged with "endangering the future chants and planters. 4. It will damage the prospects of negotiating morals to such a degree as to be public

5. It is not desired by the proprietors of large

6. It would tend to demoralize the neighbor-hood where the manufacture of rum is established. them honestly test themselves, on this point, and 7. It would not be pecuniarily a success. So says the proprietor of a large plantation, unless them the power which the habit has upon them? the rum distilled is sold illicitly among the natives. Drunkards all came from the class of modera 8. It would demand an increase of the policeforce throughout the kingdom.

9. It would be opposed to the growing public sentiment in all civilized and Christian countries. 10. It would, at best, prove only a penny-wise, and pound-foolish policy.

If these reasons, are not sufficient to convince any true friend of the Hawaiian kingdom and Hawaiian people, that the unaufactore of rum on the plantations would be suicidal, impolitic and opposed to the best interests of our Island community, then other reasons may be offered at a future time.

A FRIEND OF HAWAHANS, Hopolula, Jane 29, 1874.

#### Later Foreign News.
